ABOUT  
OUR TUTOR

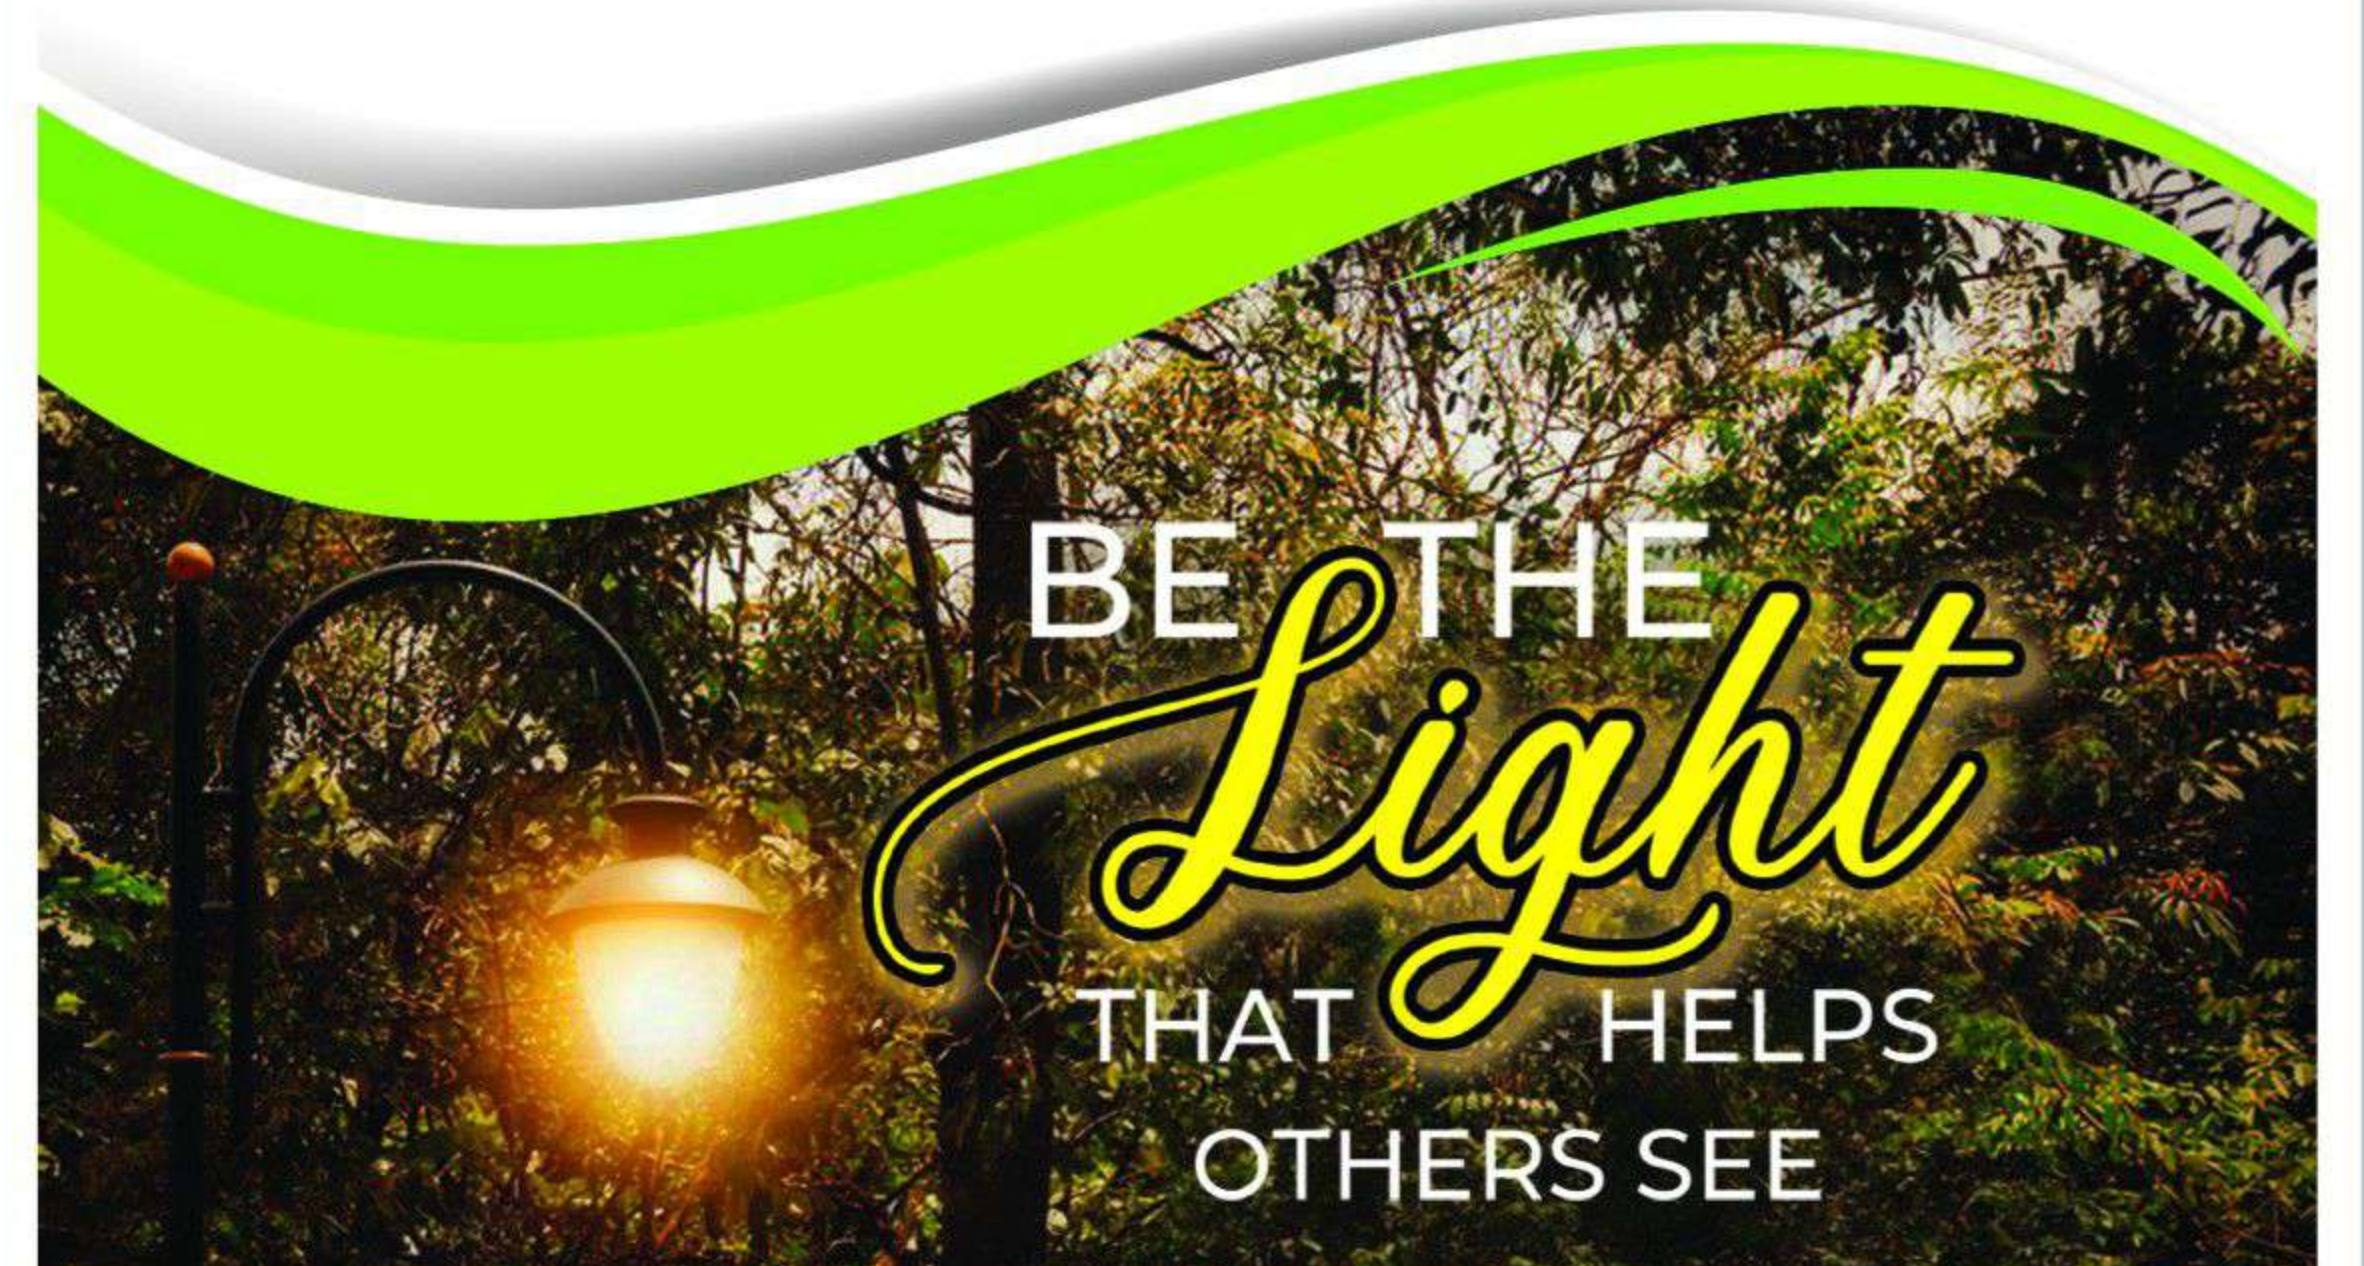

Mrs. ANA MARGARET REGINI

Co-Founder and Director - New Dawn Foundation

Brings over **32 years** of distinguished **Nursing** experience, including Service in **Indian Air Force Hospitals**. With advanced degrees in Psychology (M.Sc., and M.Phil.), she has trained more than **2,500 Paramedical Students** in the community Colleges. Her expertise includes curriculum development for Tamil Nadu Open University and community colleges in Papua New Guinea.

At the request of **ICRDCE Chennai**, (Indian Centre for Research and Development of Community Education), she also contributed as an **Editor** to the "**Health is Wealth**" textbook series, which is widely used in Health Assistant programs across **India and Internationally**.

Mrs. **Regini's** journey is deeply supported by her husband, **Mr.S.Sekar**, whose unwavering encouragement, and shared vision for community upliftment have been instrumental in the growth of the New Dawn Foundation. Known for her compassionate **Leadership and Transformative Teaching Style**, Mrs. **Regini** is the driving force behind NDF's Mission to uplift marginalized women through skill-based education and emotional empowerment.

**NDF Community College**, a unit of the **New Dawn Foundation**, is a **Transformative educational** initiative based in Chennai, dedicated to **empowering marginalized women** through **skill-based**, life-enhancing programs. Backed by the New Dawn Foundation's broader mission of social upliftment and community development, the college offers **vocational training, life skills**, and **emotional support** to help learners achieve personal and professional independence. With national affiliations and a strong record of **industry partnerships**, NDF stands as a beacon of inclusive education and opportunity.

### VISION

**Creating opportunities and transforming lives** by empowering marginalized and economically disadvantaged women through **Skill-based, Life-coping Education**. By delivering job-oriented and industry-relevant training especially in the healthcare sector we envision a future where every woman gains the confidence, capability, and access to meaningful employment, becoming a force for change in her family, community, and beyond.

## VOICES OF IMPACT

### Mrs. ESAKKIYAMMAL

#### Home Nursing Graduate

"Before joining NDF Community College, I was a homemaker with no income and lacking confidence. Regini Madam's compassion and mentorship gave me hope. Through the Home

Nursing program, I gained not just skills but a sense of purpose. Today, I earn Rs.35,000/- month, support my family, and walk with pride. My children see me as a role model. I never imagined I could be this empowered."

### Ms. DIVYA S -AVDGDA

"I struggled with dyslexia and had scored less Marks in my 12th grade. Most institutions turned me away. But NDF Community College saw potential in me. The life skills training helped me

overcome my fears, and the spoken English classes gave me the confidence to communicate clearly. I now work in a reputed hospital, and my colleagues respect me for my dedication and professionalism. My family is proud, and I finally feel seen."

### Mrs. Uma U - AVDGDA

"I was trained by Regini Madam 21 years ago, and her teaching still echoes in my life today. Her vivid, experiential approach to life skills and vocational training has made me "FIT FOR LIFE AND FIT FOR JOB". As a married woman with two school-going children, I've faced challenges with boldness and resilience, Economically empowered and emotionally strong, I've helped my sisters become self-reliant. Today, I proudly serve as an ambassador of the New Dawn Foundations spreading its mission and inspiring young women. NDF didn't just shape my future it gave me the power to shape others'."

### Dr. FLORENCE VASANTHA PRABA

#### MD - Cherub Fertility & Women Wellness Center

I am honored and privileged to be the **Industrial Partner** of the **NDF Community College**, and the quality of **their Students** is exceptional. They are not only technically sound but also **Emotionally Intelligent and Committed to Patient care**. The life skills component makes a huge difference. We have hired several graduates, and they have seamlessly integrated into our team. **NDF Community College** is a **Model Institution** for inclusive, **Skill-based Education**."
